We'll be using hashtag **#restorationjobs** to talk about the great economic results we've seen from our restoration projects.

We've created some sample tweets that you can use, too. Take a look and pick your favorite, or be creative with your own version!

Sample tweets:

Did you know habitat restoration creates more jobs than oil & gas, road building, or construction? #restorationjobs <http://bit.ly/yDfKsD>

Habitat restoration creates 17 jobs for every \$1 million invested #restorationjobs <http://bit.ly/yDfKsD>

Labor-intensive restoration—like building #oyster reefs—creates 30+ jobs per \$1 million invested #restorationjobs <http://bit.ly/JsmP1B>
