

The Dr. Nancy Foster Habitat Conservation Award

NOAA Fisheries Office of Habitat Conservation

Eligibility

1. Nominees must have demonstrated extraordinary dedication, innovation, and excellence to NOAA-related habitat conservation fields. Contributions may include work to protect, restore, manage, study, or promote stewardship of marine, coastal or riverine habitats and the species supported by these ecosystems.
2. Private citizens (or the groups or organizations they represent) or public servants (or the agencies they represent) may be nominated.

How to Apply

1. Each application must be accompanied by a completed nomination form.
2. Submit electronic examples of work, including publications, photographs, video, or other materials as well as the nomination form via a single email to: FosterAward.nominations@noaa.gov
3. Letters of support are welcome and must be submitted electronically with the nomination package.
4. **Nominations must be received by July 31, 2014.**

Nominee's Information

Name:	<input type="text"/>
Organization:	<input type="text"/>
Address:	<input type="text"/>
Phone:	<input type="text"/>
Email:	<input type="text"/>

Nominator's Information

Name:	<input type="text"/>
Address:	<input type="text"/>
Phone:	<input type="text"/>
Email:	<input type="text"/>
Signature:	<input type="text"/>

Supporting Documentation

Please provide a detailed description of the activities, accomplishments, and other achievements that document the nominee's efforts, with a focus on resourcefulness and commitment to coastal and marine habitat conservation using these criteria as a guide:

- Length of sustained contributions
- Personal success and contributions
- Innovative approaches, techniques, and accomplishments that motivate others
- Ability to balance habitat conservation with responsible use and stewardship

Please submit nominations electronically via email to:

FosterAward.nominations@noaa.gov
